Investigations established that the genesis of the process of rehabilitating the Chepcholeit Water Pan was formally initiated by the Chief Officer in charge of Water, Environment, Forestry and Natural Resources who was also the Accounting Officer in the Department. *Inquiry into Allegations that Three Members of Nairobi County Assembly for Karen, Mathare North and Woodley Wards Requested KSh. 1,000,000 from a School Manager in order to influence the outcome of an Inquiry Being Carried Out by the Culture and Community Services Committee of the County Assembly*

Investigations commenced following a report on 25th April, 2019 by a complainant that three members of the Nairobi County Assembly (MCA's) of Langata/Karen Ward, Mathare North Ward and Woodley /Kenya Golf Course who are members of the Culture and Social Services Committee had on various dates visited the school and alleged that the school was built on public land in contravention of the Physical Planning Act, 1996.
